

Re: Docket# 98N-1038, "Irradiation In the Production, Processing,
and Handling of Food."

2162 '99 MAY -7 P1:18
I want the FDA to continue prominent labeling of food that has
been treated with irradiation. The label should be conspicuous and
include the logo for irradiation.

Your Signature: Lorilee E. Hess

Additional comments: When food products are
irradiated the consumer has a right to that
information so their free choice can be exercised.
